### Appropriations Requests

May 15, 2009

## Congressman Baron Hill's FY2010 Surface Transportation Authorization Act Requests

### **Proposed Project: Ohio River Bridges Project**

**Amount Requested: \$50,000,000**

**Project Description: Funds would be used for construction of the Ohio River Bridges Project connecting Southern Indiana and Louisville, Kentucky.**

### **Proposed Project: Madison-Milton Bridge Reconstruction**

**Amount Requested: \$19,000,000**

**Project Description: Funds would be used for engineering and design, right-of-way acquisition, and to begin the reconstruction of the Milton-Madison Bridge as presented in Kentucky's six-year highway plan.**

### **Proposed Project: Indiana University Woodlawn Avenue Transit Corridor**

**Amount Requested: \$8,480,000**

**Project Description: Funds would be used to design and construct a transit corridor along Woodlawn Avenue in Bloomington, Indiana from 7th street to the Indiana University Athletics Parking area on 17th Street, to link satellite parking areas into the core campus.**

### **Proposed Project: City of Austin Street Repairs**

**Amount Requested: \$128,000**

**Project Description: Funds would be used to reconstruct and resurface 17 miles of city streets in Austin, Indiana.**

**Proposed Project: 10th Street/Law Lane**

**Amount Requested: \$10,400,000**

**Project Description: Funds would be used for design, right of way acquisition, environmental review, and construction of the 10th Street/14th Street/Law Lane Project, in Bloomington, Indiana.**
